The Best-Selling Digital Thermostat Keeps Getting Better

We've enhanced our newest 200-Series programmable digital thermostat with a larger, lighted 4-inch blue display. It now offers more control, more convenience and more value than the competition. And it's backed with the reputation of Rheem - pioneers in home comfort.

Features & Benefits

- Fast and easy to program
- Electronic accuracy
- Permanent program retention
- Lighted display
- Easy-to-wire terminal block

Programming

- Patented pre-programmed software simplifies time and temperature programming
